

STANNOL

REACH–Implementation of the new chemical legislation

Status: January 2025

We would like to inform you that all substances contained in our products have been registered by our suppliers (manufacturers or importers) in accordance with REACH requirements. Therefore we assure you that all products are still available.

Substances from the candidate list

SVHC-(Substances of Very High Concern) Statement:

The candidate list according to Article 59 (1,10) of Regulation (EC) No. 1907/2006 (REACH) was updated on 2025-01-21. The current candidate list can be viewed on the website of the European Chemicals Agency ECHA.

If a product you purchase from us contains one of the substances included in the SVHC list, it will be indicated in the safety data sheet in Chapter 3 if it exceeds 0.1% by mass.
